

# 17<sup>th</sup> Annual 360° Basketball Camp

**August 14-18, 2023**

**Co-ed (Ages 7 – 17)**

**Kingsway College Athletic Centre (Oshawa)**

## Beyond the Game...

The duration of a well played game is only a few minutes, while the journey for it may take many years of hard work and excellent character. Remember the real value of sport is not in winning or performing in the limelight of applause but by the virtues learned, practiced and lived within and beyond the athletic realm. The applause soon fades away, the statistics forgotten, the trophy is left behind, but the character, friendships and legacy you build are yours forever.

**Camp Overview** - At 360 basketball camp, players will learn:

- How to improve fundamental skills – shooting, ball control, passing, rebounding, movement, lay-ups
- How to improve fitness, training and performance
- How to communicate and collaborate with teammates
- How to play with offensive and defensive principles
- How to anticipate on the court and become a playmaker
- How to develop a pro shot
- How to develop an effective and personalized basketball development plan
- How to have fun and love the game — all while learning basketball and life-skills
- How to thrive, lead and follow within and beyond the game

## NBA/Pro/College Experienced Coaches

Our camp is led by our distinguished coaching directors & coaches who have experience working with the **NBA, Toronto Raptors, Canada Basketball, Ontario Basketball, and FIBA.**
